PET POLICY IN THE WORKS

STANDING ROCK PROTECTORS IN NH

UPCOMING EVENTS

LIHA NEWS

We are the Protectors of Tomorrow

Our Secretary Jennifer Hyslop has gained a lot of support over the past week when she announced that she was heading to Standing Rock. She and two friends are leaving for Standing Rock in just a few days. “This trip is about the truth,” she said in a Facebook post. Her goals are to provide support to Native Americans by bringing supplies like sleeping bags, tarps, other winter and camping items. She and Sky King, another LIHA member, are working side by side to promote this cause and gather donations. So far they have received numerous donations from residents of Sanbornton, Tilton and surrounding towns. The Green House in Warren NH has also shown their support by donating over \$100 in cash to help with the travel expenses. If you would like to see more about Jennifer’s trip go to LIHA’s Facebook page.

Secretary's Minute

2016 Powwow report given by Terry Travers showed that LIHA Grossed about \$2000. Barry and our ballot committee have been receiving ballots in the mail for our 2016 elections and elected officers will be sworn in at our January 2017 meeting. Members can publicly see the announcement on our Facebook page. Please note that our website is NOT up to date and our Public Relations committee will be tackling that soon. Barry has also been preparing the reservation for Winter Closing. This includes winterizing the bathrooms. Members can also expect new fencing along the woman entrance of the bathrooms donated by Jennifer. Sue Lynn Thyng is head chairperson for Learners weekend and has announced the 2017 dates for Saturday, July 22, and Sunday July 23. Fliers will be posted on our Facebook page. Sugar Run PowWow dates will be announced soon.

The pet policy is still up for review and it is hoped that members will provide insight to make events more enjoyable and inclusive for all attendees, without compromising sanitation or safety. You can view Francis' letter on the pet policy in its entirety on our Facebook page.

Pet Policy in the Works

It has recently come under discussion to make changes to LIHA's present pet policy. Francis Howes has drafted a proposal to "reflect a more inclusive approach, while still considering both the safety of our members/guests and the sanitation of our grounds." Changes include requiring proof of vaccinations for both dogs and cats, as well as mandating the use of leashes, leads, or pet carriers to maintain control of pets. During events, the area between the arbor and the pond road would be available for pet friendly viewing, as recommended by Marc Roderick. This would allow us to maintain the road between the outhouse and cook shack as a restricted area for the safety of dancers and for the sanitation of the trader area. Furthermore, pet owners would be required to clean up pet waste from all public areas. It has been recommended to acquire pet waste stations to support and encourage owners in being responsible for their pets.

Francis has also stated that it is important to comply with the Americans with Disabilities Act, a law that prohibits the restriction of service animals from public areas. Guidelines are provided by the Department of Justice.
